

## STOCK MARKET REPEATS

Yesterday's Action Same as Several Days Preceding.

## VERY HEAVY SELLING PRESSURE

Dominant Influence in All Financial Market Continues to be the London Money Position—Relief from Currency Movement.

(By Associated Press.)  
NEW YORK, Oct. 22.—The stock market today repeated its action of several days preceding. Heavy selling pressure was in evidence while the foreign stock exchanges were in session. When closing time abroad had arrived, on account of the difference in time between these points and New York the pressure subsided and made way for some recovery in prices. The dominant influence in all financial markets continued to be the London money position as directed by the Bank of England's action.

The Bank of England's action proved its efficacy, not only on the home money market, but on the foreign exchanges, which moved in favor of London at all points. Money rates were affected accordingly giving point to the solicitude reported from Berlin of a possible demand on that center for gold which would force a further advance in the official discount rate of the Imperial Bank of Germany.

The week's currency movement with the interior afforded some relief to sentiment over the money position. How the week's operations in the foreign exchange market may have affected the loan item will be studied with great interest on the appearance of the bank statement after the close of tomorrow's stock market.

This doubtful factor may have had to do with the fresh selling of stocks late in the day which closed the market weak and at the lowest.

Bonds were heavy. Total sales, par value, \$3,310,000. United States bonds were unchanged on call.

Total sales today were 912,100 shares, including: Copper, 35,900; Sugar, 1,100; Tobacco, 200; Atlantic Coast Line, 200; Chesapeake & Ohio, 17,800; Louisville & Nashville, 800; Missouri, Kansas & Texas, 28,200; Pennsylvania, 26,100; Norfolk & Western, 800; Reading, 129,000; St. Louis & Southern Railway, 29,500; Southern Railway, 8,500; pfd., 800; Union Pacific, 118,700; United States Steel, 31,100; Virginia Carolina Chemical, 1,300; Wabash, pfd., 31,200.

RICHMOND, Va., Oct. 22.—The whereabouts of H. C. Rotenbury, a salesman and buyer of the Watkins-Cottrell Hardware Company, of this city, who was last heard of October 11, is still a mystery.

Rotenbury left here October 3 well supplied with funds to visit hardware plants in New England. For a week after his departure bills of lading and receipts reached his firm, tending to show that he was transacting the business which called forth his trip. He was heard from in Philadelphia and telegraphed to his company October 11 from Washington, but since that time all trace of him has been lost.
